**Mario Lopez flexes his musical (and manly) muscles on Broadway**

**Posted:** Apr 14th 2008 3:00PM by [Kristen Seymour](#)

Filed under: [Fitness](#), [Celebrities](#)

Mario Lopez showed the world he could do a little dancing on *Dancing With the Stars*, but who expected this? Our beloved former A.C. Slater [has taken his act to Broadway](#), joining the cast of *A Chorus Line*!

Mario will be playing Zach (no, not a nod to his former *Saved By The Bell* BFF, Zack Morris), a demanding director in charge of casting the chorus roles for a new musical on Broadway. He debuts this Tuesday, so you'd better get your tickets fast -- [if these promo pictures](#) are any indication, this is going to be one hot show!

Or, at the very least, [Mario will be looking hot](#), and that's enough for some of us. I'd have to say Broadway agrees with him. Wouldn't you? Check out the gallery for proof!
