Other than the curly '80s hair, Mario Lopez hasn't changed that much since his *Saved By The Bell* days — nearly 15 years ago! The hunky star showed off a vintage beefcake shot while taping MTV's *America's Best Dance Crew* in Burbank, Calif., on July 22.

## FALL GUY

**Gordon Ramsay** was almost cooked when he tumbled from a 280-foot cliff while filming a British TV show in Iceland. He landed safely in a creek but nearly drowned due to his heavy boots. Characteristically, the mouthy chef revealed, "I remember thinking, 'Oh f--k!'"

## GOLDEN G'BYE

Estelle Getty, best known for her Emmy-winning role as Sophia on *The Golden Girls*, died on July 22 at 84, after battling Lewy body dementia. "She made the so-so jokes good, the good jokes great and the great jokes out of this world," says *Golden Girls* producer Tony Thomas.

## E.R. TO REHAB

After a visit to the hospital in Nashville on July 16, much-troubled country singer **Mindy McCready** headed straight to rehab. "Issues made it prudent for her to seek longer-term and broader-based treatment," says her rep. Mindy was jailed last year for five months for violating her probation in a 2004 drug case.

## NEW GIG

Former *Dancing with the Stars* hunk **Mario Lopez** will become a full-time host on *Extra*, it was confirmed July 28. As *Star* was first to report, Mario will take over for current cohost **Mark McGrath** beginning Sept. 15. "He will be a fresh and dynamic presence for the show," says Telepictures Productions president Hilary Estey McLoughlin.
